

CORRECTED INDEX to Hot Spring County, Arkansas  
CEMETERIES WEST OF THE OUACHITA RIVER  
Updated Volume I 1997

23 April 1998

This CORRECTED INDEX replaces Pages 389 - 430 in the updated publication of Volume I, Cemeteries West of the Ouachita River. The Index in the book has mistakes and about 700 names were not included. Our appreciation to Kay Still who prepared this Index. There are about 9,240 names which we have tried to spell correctly, list alphabetically, with proper page number. Thanks for your patience. We hope this book will provide helpful and historical information, and that families and churches will continue to place permanent markers for all graves.
